In addition to the North American market itself, Buick is represented in the Chinese market (most of the models sold there are not connected with the Buicks of the American market).

Buick repair manual free download | Carmanualshub.com

Buick actually makes most of their sales in China, being one of the most commonly driven brands in the country. This leads many owners to consult a Buick repair manual in the event of any issues with the vehicle. Buick changed the way manufacturers view engines by being the first automobile company to use overhead valve engines.
