Packed full of cheery motivational quotes, proverbs and mantras, Keep Calm and Carry On is an uplifting gift book meant to give you a boost through troubled times. Discovered on a poster created by the British Ministry of Information for British soldiers before World War II, the slogan still manages to strike a chord in our current difficult times. "Success is the ability to go from one failure to another with no loss of enthusiasm." --Winston Churchill "Don't judge each day by the harvest you reap, but by the seeds that you plant." --Robert Louis Stevenson "It's a recession when your neighbor loses his job; it's a depression when you lose your own." --Harry S. Truman

Kaplan's MCAT Critical Analysis and Reasoning Skills Review offers an expert study plan, detailed subject review, and hundreds of online and in-book practice questions – all authored by the experts behind the MCAT prep course that has helped more people get into medical school than all other major courses combined. Prepping for the MCAT is a true challenge. Kaplan can be your partner along the way – offering guidance on where to focus your efforts and how to organize your review. This book has been updated to match the AAMC's guidelines precisely—no more worrying if your MCAT review is comprehensive! The Most Practice More than 350 questions in the book and access to even more online – more practice than any other MCAT CARS book on the market. The Best Practice Comprehensive CARS subject review is written by top-rated, award-winning Kaplan instructors Expanded content review for research design and the execution of research, and data-based and statistical analysis All material is vetted by editors with advanced English degrees and by a medical doctor. Online resources help you practice in the same computer-based format you'll see on Test Day. Expert Guidance We know the test: The Kaplan MCAT team has spent years studying every MCAT-related document available. Kaplan's expert psychometricians ensure our practice questions and study materials are true to the test.

A beautifully-designed little gift book for anyone reaching this momentous birthday. Timely advice for a milestone birthday. So what if you're turning 60; after all, with age comes wisdom and more excuses to kick back and flick through those cruise holiday brochures, and at least you're not 70! This book is packed with celebratory quotations to help you shrug your shoulders, blow out the candles and Keep Calm.

"Starts with a bang and never slows down--a very superior high-stakes thriller." --#1 New York Times bestselling author Lee Child When a bombing at 10 Downing Street wounds the Prime Minister and tests Great Britain's resolve, American ex-cop Adam Tatum must confront a conspiracy in the highest halls of power Former Michigan detective Adam Tatum receives an unexpected offer, a golden opportunity that seems almost too good to be true. He travels to 10 Downing Street to participate in a high-stakes conference. Immediately after his visit, a bomb detonates, wounding the prime minister and placing Adam Tatum squarely in the crosshairs of suspicion. Sensing a setup, Tatum flees with his family, desperately fighting for survival in an unfamiliar country. The lives of his children, the future of his marriage, and the fate of a nation depend on Tatum exposing the conspirators who pegged him for a fall. Georgia Turnbull, the chancellor of the exchequer, and Davina Steel, the lead investigator, both stand to gain from the successful manhunt of Adam Tatum. But, as motives emerge and desires ignite, each must decide what they're really after. Layered plots, crackling dialogue, and propulsive action mark Keep Calm, the riveting debut thriller from award-winning actor, director, and screenwriter Mike Binder.

Start planning your schedule right now and stay inspired every day! This 18 month academic planner calendar starts July 2017 and goes until December 2018, with holidays marked. Record all your important celebrations easily and never forget birthdays, anniversaries, or any special occasion that comes up!

From a modern-day Mary Poppins and the former star of TLC's Take Home Nanny comes a holistic and guilt-free approach to parenting children ages seven and under. Emma Jenner lives, teaches, and nannies by this philosophy: if parents are in control, they can enjoy their children more. And what could be more enjoyable than well-behaved, respectful, healthy, thriving kids? Keep Calm and Parent On effectively places parenting expert Emma Jenner on your shoulder, helping you see your child's behavior from an objective standpoint that puts you firmly in charge. Each chapter opens with a checklist of questions to ask yourself when you run into a specific problem, whether it's sleeping, nutrition, communication, manners, consequences, or self-esteem. Jenner then breaks down each checklist, explaining how bad behavior is really just a habit that needs to be corrected. By connecting the dots in all areas of your child's life, you can understand why he or she is acting out—and how to fix it. For example, the best discipline techniques in the world won't work if a child is sleep-deprived, and a child will not demonstrate good manners if communication is faulty and he doesn't understand what's expected of him. Each chapter also features handy sidebars, as well as instructive and memorable quizzes. A strong proponent of raising our expectations, Jenner shows how parents can do more by doing less for their children. With an interactive format and straightforward solutions, this invaluable guide is designed to give parents bite-size takeaways they can use immediately with their children. Jenner's blend of British and American parenting styles is more than advice; it is proof that all children are capable of behaving—and that you have the keys to unlocking their potential.
