establishes the operational stability required for making and sustaining continuous improvements. The primary objective of 5S is to create a clean, orderly environment- an environment where there is a place for everything and everything is in its place.

## 5S /VisualWorkplace Handbook

5S is sometimes called the five pillars because just like the physical pillars that hold up a structure, 5S has five elements that support the effectiveness of the system. And just like the pillars of a building, if one was to weaken or fail, the entire structure would fall. The five steps/pillars of 5S are: 1 Sort 2 Set in Order 3 Shine
