This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives.

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

With the unexpected arrival of a package from South Africa, the epic love stories of three vastly different women slowly unfold. But what did the package contain that has forced the women of the Gordon household to finally reveal their secrets? Why did they conceal the truth from each other for so many years? As Hannah, Beatrice and Zendaya share their passionate tales from the depths of their hearts; they unravel relationships of racial segregation, forbidden love, societal stigma, seduction and abuse. What they are yet to discover is that one man links their stories. But whose true love is he? Embark on a journey of mystery, suspense, drama, and love that spans across three generations.

Prepare your students today to become strong, effective managers tomorrow with the powerful concepts and practical applications found in Griffin/Moorhead's ORGANIZATIONAL BEHAVIOR: MANAGING PEOPLE AND ORGANIZATIONS, Tenth Edition. This reader-oriented text helps you equip your students with the skills and solid understanding to meet the management challenges of a new century. The book's applied approach balances classic management ideas with the most recent OB developments and contemporary trends, such as the effects of the recession; how to manage people in these challenging times; the new role of stress on motivation and leadership; and effects of downsizing. Students delve into the core concepts of human behavior and industrial psychology within the help of memorable real examples and cases drawn from relevant organizations and managers such as Steve Jobs, Eddie Bauer, Cirque du Soleil, snopes.com, Whole Foods, Nike, and Goldman Sachs. Fresh new cases, proven end-of-chapter exercises, activities, and an optional case and exercises help you equip your students with the assets, tools, and resources to compete effectively amid a world of change. Students grasp the fundamental of human behavior in organizations and the ability to develop new answers to new challenges as they learn to understand the people who comprise an organization, understand change, and understand how organizations must respond to change. Equip and energize the next generation of managers for the most exciting task of tomorrow: managing people effectively within competitive organizations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Positive Organizational Behaviour: A Reflective Approach introduces the most recent theoretical and empirical insights on positive organizational practices, addressing emerging topics such as resilience, job crafting, responsible leadership and mindfulness. Other books on positive approaches tend to gloss over the limitations of the positive agenda, but this textbook is unique in taking a reflective approach, focussing on the positive while also accommodating critical perspectives relating to power and control. Positive Organizational Behaviour provides an integrated conceptual framework, evidence-based findings and practical tools to gain an understanding of the potential of positive organizational practices. This innovative new textbook will provide advanced management and psychology students with a grounding in the area, and help them develop strategies for building effective and responsible organizations.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise Fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion-be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources.
