Service that is called buy bride online allows women to show their photos and profiles with all necessary information about their age, location, ethnicity, job, education, marital status, habits, interests, and life goals. Such services attract serious men who are looking for love, not fun and a one-night stand.

Buy a Bride Online - How to Find Perfect Mail Order Brides

Bride-buying, also referred to as bride-purchasing, is the industry or trade of purchasing a bride as a form of property. This enables the bride to be resold or repurchased at the buyer's discretion. This practice continues to have a firm foothold in parts of the world such as China, North Korea, Vietnam and Africa. Described as a form of marriage of convenience, the practice is illegal in many countries.
