Communication is the only means by which you can know about the person you are interested in and when you know the way he/she is, maintaining a relationship with him or her becomes easy. Among the various styles of

File Type PDF Communication

In human communication, the assertive or open style is the most healthy one according to many.

~~Why Communication is Very Important for a Healthy Relationship~~

Human Relations:
Concept, Nature and
Factors Affecting
Human Relations!

File Type PDF Communication

Concept: Human relations are the study of the ways in which people relate to each other in group situations, especially work, and how communication skills and sensitivity to other people ' s feelings can be improved.
