Where To Download Comparing Public Policies

This book focuses on the economic changes produced by different political systems and on the social impact of regime transformations. It addresses several key policy issues: How does the policy

Where To Download

process operate in various types of political systems? What impact do public policies and policy outcomes wield on transformations in a political system? How does public policy preference in different political systems affect democracy,

Where To Download Capitalism, and socialism? Public Policies

Communities
throughout the world
are increasingly
diverse in their racial,
ethnic and religious
make up. Using
examples drawn from
over 50 countries in a
variety of fields from
economics to
education, this book

Where To Download

explores how
governmental,
economic and social
institutions are
adapting their
policies to create
more cohesive and
peaceful societies.

Edition

At the beginning of
the twenty-first
century, both Britain
and Japan are facing
similar issues caused

Where To Download

by globalisation, slower economic growth, and a rapidly ageing population.

Social policy in the two societies, which has developed differently due to the differences in their national resources, socio-economic systems, cultural values and political agendas, is at an

Where To Download

interesting turning point. Comparing social policies: examines topical issues with up-to-date information; compares and contrasts selected policy areas between the two societies; presents original material written by leading scholars in each country. This

Where To Download

Original book will be of great interest to academics and students, as well as policy makers and practitioners internationally, who are interested in various fields of social policy in Britain and Japan.

Offers a
groundbreaking

Where To Download

analysis of the
distinctive
substantive,
theoretical and
methodological
contributions of
subnational research
in the field of
comparative politics.
