Competing for the Future, which was published by the Harvard Business School Press in September 1994. or off to the left, your company may be devot-ing too much energy to preserving the past and not enough to creating the future. When we talk to senior managers about competing for the future, we ask them three questions.

Competing for the Future - Akademiet for Talentfulde Unge

Competition for the future is both inter corporate and intercoalition. The two most important ways in which the competition for the future is different from competition for the present: 1. It often takes place in unstructured arenas where the rules of competition have yet to be written, and 2. It is more like a triathlon than a 100 meter sprint.
