How the attorney-client relationship favors the privileged in

Read Online Crook County

criminal court—and
denies justice to
the poor and to
working-class
people of color. The
number of
Americans
arrested, brought
to court, and
incarcerated has
skyrocketed in
recent decades.
Criminal
defendants come

Read Online Crook County

from all races and economic walks of life, but they experience punishment in vastly different ways. Privilege and Punishment examines how racial and class inequalities are embedded in the attorney-client relationship,

Read Online Crook County

providing a
devastating
portrait of
inequality and
injustice within and
beyond the
criminal courts.

Matthew Clair
conducted
extensive fieldwork
in the Boston court
system, attending
criminal hearings
and interviewing

Read Online Crook County

defendants, lawyers, judges, police officers, and probation officers. In this eye-opening book, he uncovers how privilege and inequality play out in criminal court interactions. When disadvantaged defendants try to learn their legal rights and

Read Online Crook County

advocate for
themselves,
lawyers and judges
often silence,
coerce, and punish
them. Privileged
defendants, who
are more likely to
trust their defense
attorneys, delegate
authority to their
lawyers, defer to
judges, and are
rewarded for their

Read Online Crook County

compliance. Clair shows how attempts to exercise legal rights often backfire on the poor and on working-class people of color, and how effective legal representation alone is no guarantee of

Read Online Crook County

justice. Superbly written and powerfully argued, *Privilege and Punishment* draws needed attention to the injustices that are perpetuated by the attorney-client relationship in today's criminal courts, and describes the

Read Online Crook County

reforms needed to
correct them.

The convergence of
tough-on-crime
politics, stiffer
sentencing laws,
and jurisdictional
expansion in the
1970s and 1980s
increased the
powers of federal
prosecutors in
unprecedented

Read Online Crook County

ways. In Hard Bargains, social psychologist Mona Lynch investigates the increased power of these prosecutors in our age of mass incarceration. Lynch documents how prosecutors use punitive federal drug laws to coerce guilty

Read Online Crook County

pleas and obtain long prison sentences for defendants—particularly those who are African American—and exposes deep injustices in the federal courts. As a result of the War on Drugs, the number of drug cases prosecuted each year in

Read Online Crook County

Racism And Injustice In Americas
Largest Criminal Court

federal courts has increased fivefold since 1980. Lynch goes behind the scenes in three federal court districts and finds that federal prosecutors have considerable discretion in adjudicating these cases. Federal drug laws are wielded

Read Online Crook County

differently in each district, but with such force to overwhelm defendants' ability to assert their rights. For drug defendants with prior convictions, the stakes are even higher since prosecutors can file charges that incur lengthy prison sent

Read Online Crook County

ences—including
life in prison
without parole.

Through extensive
field research,
Lynch finds that
prosecutors
frequently use the
threat of extremely
severe sentences
to compel
defendants to
plead guilty rather
than go to trial and

Read Online Crook County

risk much harsher punishment. Lynch also shows that the highly discretionary ways in which federal prosecutors work with law enforcement have led to significant racial disparities in federal courts. For instance, most federal charges for crack cocaine

Read Online Crook County

offenses are brought against African Americans even though whites are more likely to use crack. In addition, Latinos are increasingly entering the federal system as a result of aggressive immigration crackdowns that also target illicit

Read Online Crook County

drugs. Hard Bargains provides an incisive and revealing look at how legal reforms over the last five decades have shifted excessive authority to federal prosecutors, resulting in the erosion of defendants' rights and extreme

Read Online Crook County

Sentences and those convicted. Lynch proposes a broad overhaul of the federal criminal justice system to restore the balance of power and retreat from the punitive indulgences of the War on Drugs.

"Lynne Haney is

Read Online Crook County

already an important voice in the sociology of welfare but this book marks her debut as a major figure in the sociology of punishment and the study of governmentality. *Offending Women* is a fascinating work that combines

Read Online Crook County

rich ethnographic detail with a structural account of the changing contours of contemporary governance. Its original contributions to prison ethnography, women's studies, and the sociology of the penal-

insights into how states work to explain how the treatment of imprisoned women has changed over the past decade.

An altogether brilliant book."--Myra Marx Ferree, University of Wisconsin

Most youth who

Read Online Crook County

come in conflict with the law have experienced some form of trauma, yet many justice professionals are ill-equipped to deal with the effects trauma has on youth and instead reinforce a system that further traumatizes young offenders while

Read Online Crook County

ignoring the needs of victims. By taking a trauma-informed perspective, this text provides a much-needed alternative—one that allows for interventions based on principles of healing and restorative justice, rather than on

Read Online Crook County

punishment and risk assessment. In addition to providing a comprehensive historical overview of youth justice in Canada, Judah Oudshoorn addresses the context of youth offending by examining both individual

Read Online Crook County

trauma—including its emotional, cognitive, and behavioural effects—and collective trauma. The author tackles some of the most difficult problems facing youth justice today, especially the ongoing cycles of intergenerational trauma caused by

Read Online Crook County

the colonization of
Indigenous peoples
and patriarchal
violence, and

demonstrates how
a trauma-informed
approach to youth
justice can work
toward preventing
crime and healing
offenders, victims,
and communities.

Featuring a
foreword written by

Read Online Crook County

Howard Zehr, case stories from the author's own work with victims and offenders, questions for reflection, and annotated lists of recommended readings, this engaging text is the perfect resource for college and

Read Online Crook County

university students
in the field of youth
justice.

Americas

In the era of mass
incarceration, over
600,000 people are
released from
federal or state
prison each year,
with many
returning to chaotic
living environments
rife with violence.

Read Online Crook County

In these circumstances, how do former prisoners navigate reentering society? In *Homeward*, sociologist Bruce Western examines the tumultuous first year after release from prison. Drawing from in-depth interviews with

Read Online Crook County

Over one hundred individuals, he describes the lives of the formerly incarcerated and demonstrates how poverty, racial inequality, and failures of social support trap many in a cycle of vulnerability despite their efforts to rejoin society.

Read Online Crook County

Western and his research team conducted comprehensive interviews with men and women released from the Massachusetts state prison system who returned to neighborhoods around Boston. Western finds that for most, leaving

Read Online Crook County

prison is associated with acute material hardship. In the first year after prison, most respondents could not afford their own housing and relied on family support and government programs, with half living in deep poverty. Many

Read Online Crook County

struggled with
chronic pain,
mental illnesses, or
addiction—the
most important
predictor of
recidivism. Most
respondents were
also unemployed.
Some older white
men found union
jobs in the
construction
industry through

Read Online Crook County

their social
networks, but
many others,
particularly those
who were black or
Latino, were unable
to obtain full-time
work due to few
social connections
to good jobs,
discrimination, and
lack of credentials.
Violence was
common in their

Read Online Crook County

lives, and often preceded their incarceration. In contrast to the stereotype of tough criminals preying upon helpless citizens, Western shows that many former prisoners were themselves subject to lifetimes of violence and abuse and

Read Online Crook County

encountered more violence after leaving prison, blurring the line between victims and perpetrators. Western concludes that boosting the social integration of former prisoners is key to both ameliorating deep disadvantage and strengthening

Read Online Crook County

public safety. He advocates policies that increase assistance to those in their first year after prison, including guaranteed housing and health care, drug treatment, and transitional employment. By foregrounding the

Read Online Crook County

stories of people
struggling against
the odds to exit the
criminal justice
system, Homeward
shows how
overhauling the
process of prisoner
reentry and
rethinking the
foundations of
justice policy could
address the harms
of mass

Read Online Crook County

incarceration.

**Injustice In
Americas**
Shaping Race
Policy investigates
one of the most
serious policy
challenges facing
the United States
today: the
stubborn
persistence of
racial inequality in
the post-civil rights
era. Unlike other

Read Online Crook County

books on the topic, it is comparative, examining American developments alongside parallel histories of race policy in Great Britain and France. Focusing on on two key policy areas, welfare and employment, the book asks why

Read Online Crook County

America has had such uneven success at incorporating African Americans and other minorities into the full benefits of citizenship. Robert Lieberman explores the historical roots of racial incorporation in these policy

Read Online Crook County

Racism And
Injustice In
Americas
Largest
Criminal Court

areas over the course of the twentieth century and explains both the relative success of antidiscrimination policy and the failure of the American welfare state to address racial inequality. He chronicles the rise and resilience

Read Online Crook County

of affirmative action, including commentary on the recent University of Michigan affirmative action cases decided by the Supreme Court. He also shows how nominally color-blind policies can have racially biased effects, and challenges the

Read Online Crook County

common wisdom that color-blind policies are morally and politically superior and that race-conscious policies are merely second best.

Shaping Race Policy has two innovative features that distinguish it from other works in the area. First, it is

Read Online Crook County

comparative, examining
developments alongside parallel
histories of race policy in Great
Britain and France. Second, its
argument merges ideas and
institutions, which are usually
considered

Read Online Crook County

separate and competing factors, into a comprehensive and integrated explanatory approach. The book highlights the importance of two factors--America's distinctive political institutions and the characteristic American tension

Read Online Crook County

between race
consciousness and
color blindness--in
accounting for the
curious pattern of
success and failure
in American race
policy.

"The challenge,
then, is not to
invent new victims
or new scapegoats
but to mobilize

America for the future. What would it take to ensure that all of us can succeed at getting the job done, the problem solved, and the future more secure?" As a student at Yale Law School in 1974, Lani Guinier attended a class with a white male

Read Online Crook County

professor who addressed all the students, male and female, as

"gentlemen." To him the greeting was a form of honorific, evoking the values of traditional legal education. To her it was profoundly alienating. Years later Guinier began

Read Online Crook County

a study of female law students with her colleagues, Michelle Fine and Jane Balin, to try to understand the frustrations of women law students in male-dominated schools. Women are now entering law schools in large numbers, but too

Read Online Crook County

often many still do not feel welcome.

As one says, "I used to be very driven,

competitive. Then I started to realize that all my effort was getting me nowhere. I just stopped caring. I am scarred forever." After interviewing

Read Online Crook County

hundreds of women with similar stories, the authors conclude that conventional one-size-fits-all approaches to legal education discourage many women who could otherwise succeed and, even more, fail to help all students realize
