In Ferdinand von Schirachs Theaterstück wird dem Publikum eine Frage gestellt. „Halten Sie es für richtig“, fragt die Vorsitzende des Ethikrates, „dass Herr Gärtner Pentobarbital bekommt, um sich töten zu können?“ Und sie fragt weiter: „Halten Sie es für richtig, einem gesunden Menschen ein tödliches Medikament zu geben?“

From Ferdinand von Schirach, one of Germany's most prominent

Access Free Ferdinand Von Schirach

defense attorneys, comes a jolting debut collection of short stories that daringly brings to light the motivations stirring within the criminal mind. By turns witty and sorrowful, unflinchingly brutal and heartbreaking, the deeply affecting, quietly unnerving cases presented in *Crime* urge a closer examination of guilt and innocence. In "Fähler," a small-town physician and avid gardener betrays little emotion when he takes an ax to his wife's head, an act that shocks the locals but provides a long-awaited reprieve for the good doctor. Abbas, a Palestinian refugee who is cornered into a life of crime, finds true love and seemingly a saving grace with a beautiful student named Stefanie

Access Free Ferdinand Von Schirach

in “Summertime.” But when she is viciously murdered in a hotel room after having been paid to sleep with one of the country’s wealthiest men, is Abbas to blame or is it the man who seems to have it all? And in the startling story “Love,” a young man’s infatuation with his girlfriend takes a grisly turn as he comes to grips with his unconventional—and uncontrollable—impulses to truly know a woman. “Guilt,” writes von Schirach, “always presents a bit of a problem.” In this beautifully nuanced and telling collection, guilt is indeed never as clear-cut as the crime, and justice is more nebulous still.

The internationally bestselling

Access Free Ferdinand Von Schirach

courtroom drama centering on a young German lawyer and a case involving World War II. A bestseller in Germany since its 2011 release—with rights sold in seventeen countries—*The Collini Case* combines the classic courtroom procedural with modern European history in a legal thriller worthy of John Grisham and Scott Turow. Fabrizio Collini is recently retired. He's a quiet, unassuming man with no indications that he's capable of hurting anyone. And yet he brutally murders a prominent industrialist in one of Berlin's most exclusive hotels. Collini ends up in the charge of Caspar Leinen, a rookie defense lawyer eager to launch his career with a not-guilty verdict.

Access Free Ferdinand Von Schirach

Complications soon arise when Collini admits to the murder but refuses to give his motive, much less speak to anyone. As Leinen searches for clues he discovers a personal connection to the victim and unearths a terrible truth at the heart of Germany's legal system that stretches back to World War II. But how much is he willing to sacrifice to expose the truth?

Sebastian von Eschburg, scion of a wealthy, self-destructive family, survived his disastrous childhood to become a celebrated if controversial artist. He casts a provocative shadow over the Berlin scene; his disturbing photographs and installations show that truth and reality are

Access Free Ferdinand Von Schirach

two distinct things. When Sebastian is accused of murdering a young woman and the police investigation takes a sinister turn, seasoned lawyer Konrad Biegler agrees to represent him - and hopes to help himself in the process. But Biegler soon learns that nothing about the case, or the suspect, is what it appears. The new thriller from the acclaimed author of *The Collini Case*, *THE GIRL WHO WASN'T THERE* is dark, ingenious and irresistibly gripping.

On a sweltering day in August, a small town drunkenly celebrates its six-hundredth anniversary with a funfair when an anonymous tip leads police to find a young woman brutally beaten, raped,

Access Free Ferdinand Von Schirach

and thrown under the floorboards of the very stage on which her attackers had just played a polka. An eight-member brass band composed of respectable family men with respectable day jobs is charged with the crime. A neophyte defense lawyer, still wet behind the ears and breaking in his attaché case, takes on the trial, only to lose his innocence in the process. So begins *Guilt*, Ferdinand von Schirach's tense, riveting collection of stories based on real crimes he has known. In these brief, succinct tales, von Schirach calls into question the nature of guilt and the toll it takes—or fails to take—on ordinary people. In “The Illuminati,” the popular mean crowd at an all-boys’ boarding

Access Free Ferdinand Von Schirach

school wages a vicious attack against an outsider schoolmate, and ends up accidentally killing the boy's beloved teacher.

Attempting to hurdle through a midlife crisis, a housewife begins to steal trivial things no one will miss, an act that gives her a rush and staves off depression in "Desire." And in "Snow," an old man whose home is used as a way station for a heroin ring agrees to protect the identity of the lead drug runner, who receives his comeuppance in due course. Compassionate and seen with the same cool, controlled eye that propelled Ferdinand von Schirach's debut collection, *Crime*, onto best-seller lists, *Guilt* is a stunning follow-up from one of Germany's finest new writers.

Access Free Ferdinand Von Schirach

Sebastian von Eschburg verliert als Kind durch den Selbstmord seines Vaters den Halt. Er versucht, sich durch die Kunst zu retten. Er zeigt mit seinen Fotografien und Videoinstallationen, dass Wirklichkeit und Wahrheit verschiedene Dinge sind. Es geht um Schönheit, Sex und die Einsamkeit des Menschen. Als Eschburg vorgeworfen wird, eine junge Frau getötet zu haben, übernimmt Konrad Biegler die Verteidigung. Der alte Anwalt versucht, dem Künstler zu helfen – und damit sich selbst.

Guilty or not guilty? Enter the courtroom, hear the evidence, make your judgement. A hijacked

Access Free Ferdinand Von Schirach

plane is heading towards a packed football stadium. Ignoring orders to the contrary, a fighter pilot shoots down the plane killing 164 people to save 70,000. Put on trial and charged with murder, the fate of the pilot is placed in the audience's hands. Ferdinand von Schirach's *Terror*, in a translation by David Tushingham, received its UK Premiere at the Lyric Hammersmith, London, in June 2017

A nameless lawyer invites us to read an extraordinary dossier of violent and unspeakable acts by underworld criminals and respectable businessmen alike. All the crimes have one thing in common: the guilty are never convicted in a court of law.

Access Free Ferdinand Von Schirach

Representada en casi un centenar de teatros en más de veinte países, donde ha cosechado un éxito inaudito, Terror aborda sin tapujos el abrumador problema ético al que se enfrenta el ser humano en situaciones límite, invitándonos a una reflexión profunda sobre el valor y el precio de la libertad. Cada vez que se produce un atentado terrorista en un país occidental, provocando un sentimiento general de pánico y estupor en la sociedad, surge inevitablemente un dilema difícil de resolver: ¿estamos dispuestos a sacrificar nuestra libertad individual en aras de la seguridad colectiva? ¿Cuál es el camino correcto para preservar la democracia? Como oficial de la

Fuerza Aérea de Alemania, Lars Koch debe intervenir en una situación de emergencia: un terrorista ha secuestrado un avión de Lufthansa y pretende estrellarlo contra el Allianz Arena de Múnich, donde en ese momento setenta mil espectadores asisten a un partido de fútbol internacional entre las selecciones de Alemania e Inglaterra. Contraviniendo las órdenes de sus superiores, y consciente de la responsabilidad que deberá asumir por su terrible acto, Koch derriba el aparato para impedir la masacre en el estadio, causando la muerte de las ciento sesenta y cuatro personas que viajaban a bordo. Así pues, el juicio al que se somete al infortunado piloto es el núcleo de

Access Free Ferdinand Von Schirach

la primera obra teatral del célebre abogado criminalista alemán Ferdinand von Schirach. Con una trama sencilla pero contundente, el autor de superventas como Crímenes y Culpa nos conmina a tomar partido como miembros del jurado popular que deberá dictar una sentencia de tintes dramáticos y consecuencias inquietantes. La crítica ha dicho... «Terror es teatro en su máxima expresión.» The Sunday Times «Una historia tan compleja que seguirás pensando en ella mucho después de que se falle la suerte del acusado.» The Times «Von Schirach se nutre del legado del drama clásico como un foro donde considerar los dilemas humanos más acuciantes.»

Access Free Ferdinand Von Schirach

Financial Times

Presents a collection of legal stories based on real cases and presented from a defense lawyer's perspective.

From internationally bestselling author Benedict Wells, a sweeping novel of love and loss, and of the lives we never get to live “[D]azzling storytelling...The End of Loneliness is both affecting and accomplished -- and eternal.” —John Irving Jules Moreau’s childhood is shattered after the sudden death of his parents. Enrolled in boarding school where he and his siblings, Marty and Liz, are forced to live apart, the once vivacious and fearless Jules retreats inward,

Access Free Ferdinand Von Schirach

preferring to live within his memories – until he meets Alva, a kindred soul caught in her own grief. Fifteen years pass and the siblings remain strangers to one another, bound by tragedy and struggling to recover the family they once were. Jules, still adrift, is anchored only by his desires to be a writer and to reunite with Alva, who turned her back on their friendship on the precipice of it becoming more. But, just as it seems they can make amends for time wasted, invisible forces – whether fate or chance – intervene. A kaleidoscopic family saga told through the fractured lives of the three Moreau siblings, alongside a faltering, recovering love story, *The End of Loneliness* is a stunning meditation on the

Access Free Ferdinand Von Schirach

power of our memories, of what can be lost and what can never be let go. With inimitable compassion and luminous, affecting prose, Benedict Wells contends with what it means to find a way through life, while never giving up hope you will find someone to go with you.
