Download Ebook First Position Melissa Brayden

OK, I am a bit of a Melissa Brayden fan. So I am a wee bit biased.

Anyhow, I loved First Position. As all the other books, it very well written and simply makes you smile. It's an engaging love story, placed in NYC again, and as you probably gather from the title, it's all about ballet

So many times you just catch yourself smiling through the book, almost wanting to lose your page and start from the beginning all over again. It's sexy, it's hot, it's funny, it's witty, it's angsty. . .it's just damn good reading (I have more adjectives, but I stopped myself). This is arguably Melissa
