### **Art and Happiness | Psychology Today**

The Art of Happiness is a book by the 14th Dalai Lama and Howard Cutler, a psychiatrist who posed questions to the Dalai Lama. Cutler quotes the Dalai Lama at length, providing context and describing some details of the settings in which the interviews took place, as well as adding his own reflections on issues raised. The book explores training the human outlook that alters perception. The concepts that the purpose of life is happiness, that happiness is determined more by the state of one's mi
