George Saunders is indisputably the best living author of satirical literary fiction - none are better. "In Persuasion Nation" is a smart, witty, emotionally evocative collection of short stories set in a dystopian future where human impulses and motivations are shaped and formed - subtly, in some cases, directly in others - by giant corporate conglomerates.

In Persuasion Nation: Saunders, George: 9781594482427 ...

George Saunders is known for his surrealism and In Persuasion Nation is him at his wackiest. He examines topics like consumerism and marketing, pushing them to their extremes. His stories often make me laugh at their ridiculousness but then I start to think that maybe our society is not so far removed from the crazy scenarios he dreams up.

In Persuasion Nation - George Saunders

In his latest book of stories, In Persuasion Nation, and in his 2005 novel, The Brief and Frightening Reign of Phil, Saunders conflates the worlds of television, commercials, politics, and real life to create unique hybrid worlds populated by polar bears, god-like junk-food wrappers, talking organs, and Abraham Lincoln. His fiction depends on visual literacy and pop-culture fluency.

Review: In Persuasion Nation by George Saunders - The Bailer

Since his stories first appeared, George Saunders has been one of our most enjoyable writers. But the arrival of his latest collection, In Persuasion Nation, signals a new anxiety in his work, a painful concern about the violent distractions of our post-9/11 entertainment state.
