Now, at last, a measure of much needed clarity has been brought to this murky subject in Paul Rydeen's _Jack Parsons and the Fall of Babalon_, a murkiness that has been compounded over the years by varying degrees of misinformation and exaggeration on just who Jack Parsons was, and exactly what he was trying to accomplish with the Babalon Working rituals, performed in part with L. Ron Hubbard, and initially under the guidance of Aleister Crowley in England.

The Babalon Working was a series of magic ceremonies or rituals performed from January to March 1946 by author, pioneer rocket-fuel scientist and occultist Jack Parsons and Scientology founder L. Ron Hubbard. This ritual was essentially designed to manifest an individual incarnation of the archetypal divine feminine called Babalon. The project was based on the ideas of Aleister Crowley, and his description of a similar project in his 1917 novel Moonchild.
