Management of  
Technology was  
one of the  
leading handful  
of books to deal  
with the topic  
of forecasting  
of technology  
and technology  
management as  
this discipline  
was emerging.

The new, revised  
edition of this

Get Free Le

Managing

book will build

on this

knowledge in the  
context of

business

organizations

that now place a

greater emphasis

on technology to

stay on the

cutting edge of

development. The

scope of this

edition has

Get Free Le

Managing

broadened to  
include

management of  
technology 5th

content that is  
relevant to now  
to executives in  
organizations  
while updating  
and

strengthening  
the technology  
forecasting and  
analysis content
