(Meredith Music Resource). The individual selection of quality literature one of the most important responsibilities facing today's band director is greatly simplified using this one-of-a kind publication. It is the ultimate tool in concert planning and programming benefiting both entry-level and experienced conductors by compiling all of the information needed for reliable music selection. Assisting conductors recall works they may have heard but not yet conducted, brief incipits of prominent melodic themes are included, as are cost, duration, availability, instrumentation, recordings, publishers, solos, and tips on programming. With hundreds of new works produced each year, this handy "survival guide to music selection" is a must for the serious wind band conductor. "... a much-needed addition to our profession ... this is a must for every band library!" Ray E. Cramer, Emeritus Director of Bands, Indiana University (a href="http://youtu.be/xWMQIRVihGs" target="\_blank")Click here for a YouTube video on Great Music for Wind Band(/a)

(Meredith Music Resource). A new and expanded version of the first two Winds of Change volumes containing much new information about wind band/ensemble literature, important conferences, concerts and events from the 19th century through 2015.

(Meredith Music Resource). This expansion on Battisti's The Twentieth Century American Wind Band/Ensemble includes discussions on the contribution of important wind band/ensemble personalities and organizations, and provides important information on hundreds of compositions for this medium. Challenges facing the 21st century wind band/ensemble conductor including training and development are also discussed. (a href="http://youtu.be/XwbrlkXUnEk" target="\_blank")Click here for a YouTube video on The Winds of Change(/a)

Wind chamber music has become an important part of the contemporary wind band program during the past half century, and now a most complete reference text has been written to provide any and all necessary information concerning repertoire. Winther lists over 500 works by instrumentation and provides guidance on timings, difficulty level, publisher sources, available recordings and his own insight into rehearsing and programming each individual work. This book will soon be required reading for every wind conductor and performer!

The Brooklyn Philharmonic is one of the most innovative and respected symphony orchestras of modern times. Maurice Edwards provides a personal and comprehensive history of this institution. How Music Grew in Brooklyn includes more than two dozen historical photographs and illustrations and an eighty-page appendix providing detailed listing of the orchestra's programs, including the Marathons.

(Meredith Music Resource). This new publication is an extension of The Winds of Change , that traced the development of the American wind band/ensemble in the twentieth century. This book covers all the important conferences, concerts, events, initiatives, and compositions created for wind bands/ensembles during the first decade of the twenty-first century. In gathering information for this book, the author examined hundreds of scores, listened to dozens of recordings, attended conferences, interviewed wind band/ensemble director-conductors, and surveyed numerous professional journals and magazines. The result is a book that provides a panorama view of the American wind band/ensemble scene from 2000-2010.

Documents the influence of Jewish music on American popular song.
