In 1986, Morita wrote an autobiography

titled *Made in Japan*.

He co-authored the 1991 book *The Japan That Can Say No* with politician Shintaro Ishihara, where they criticized American business practices and encouraged Japanese to take a more independent role in business and foreign affairs.

(Actually, Morita had

One analogy Morita
made that has stuck
with me, the
Japanese style of
company building is
like making a rock
house – you take the
rocks which come in

different shapes and you go about building the house. The shape of the house would very well depend on the rocks you gather.
