Mideast Beast completes and establishes the revolutionary argument introduced in Joel Richardson's Islamic Antichrist, namely that the Antichrist will be a Muslim, whose empire will arise out of the Middle East. Whereas most students of the Bible have long held that some form of humanism or universalist religion would catapult the Antichrist to world power, Mideast Beast: The Scriptural Case for an Islamic Antichrist systematically proves from that the long awaited system of the Antichrist is even now before us and knocking at our door. Through a highly scholarly, theologically grounded, yet simple presentation, Richardson thoroughly corrects the objections of critics, establishing beyond a doubt, the Biblical case for an Islamic Antichrist. With large segments of the Christian missionary movement embracing a heretical method of outreach to Muslims known as "Chrislam" or "The Insider Movement", Mideast Beast cuts to the core of the matter, revealing the true nature and origins of Islam

"In 'The Islamic Antichrist', Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away. His book will stun readers unaware of the similarities between the Antichrist and the "Islamic Jesus." His research on the relationship between Christian end-time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come. This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible" --Cover, p. 2.

New York Times bestselling author Joel Richardson carefully explores what is arguably the greatest prophetic mystery in all of the Bible. Mystery Babylon is an in-depth look at the prophecy of Revelation 17 and 18. Richardson dissects the longest prophecy in the New Testament the final chapters of the Bible in order to make sense of these deeply elusive and profoundly controversial passages. In his characteristically easy-to-understand style, Richardson works through the history of Christian interpretation of Mystery Babylon, weighing the strengths and weaknesses of each view, making a powerful case for a solution to this prophecy that will rock the prophecy world. Divided into three parts Mystery Babylon Richardson expositis Scripture in part 1, examines the more common positions in part 2, and invites the reader to a powerful conclusion in part 3. "

This book is a comprehensive analysis of Biblical prophecy, in light of Scriptures ignored by many teachers of Eschatology today. Isaiah, Jeremiah, Ezekiel, and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon-modern day Iraq. This book presents Biblical evidence that the Antichrist will rise from this land, and temporarily establish a new "Islamic empire" in the Middle East. This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea (the West Bank, ) according to Bible prophecy. Learn how the predicted outcome of the Israeli/Palestinian dispute of the holy land perfectly reflects unique events of modern history, including the rise of radical Islam. Third edition.

Daniel Revisited makes the case that the ancient book of Daniel reveals four specific events to occur in the Middle East in the end times prior to the Tribulation. This new look at old assumptions about prophecy and plain reading of Scripture combines a comprehensive study of relevant history with the fresh perspective of today's current events. Not only does it show that the Antichrist will be Muslim, it also identifies four events the author calls Signposts which will occur in a series leading right up to the Tribulation. The first event involving Iraq has already occurred. The second of the four events will be the invasion of the whole Middle East by Iran. The fourth event will witness the Antichrist's emergence.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The emergence of Radical Islamists should be no surprise to students of Scripture. America is only now understanding their intense passion to rule, not only the Middle East, but the western world as well. Yousef points to passages that show us how biblical prophecy speaks to the awful things to come. Beware of the secret of the Mahdi!

Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.
