Have you ever wondered if miracles really exist? Have you ever questioned whether so-called "blessings" were merely coincidences, or perhaps misremembered facts? Have you heard of prayer, but wondered, what's the point? Your logical mind wonders how prayer - the simple act of talking to God, that is, if He truly exists - can help you find a job, a partner, heal your broken marriage, protect your child, help you pay your bills, heal you from disease or a doctor's dismal report? Sure, you've heard bible stories of Jesus healing the blind and raising the dead, of people's faith causing them to walk on water, or turn sticks into snakes, but were they true? Is it true today? And if so, where is it happening? You want some proof. Well, here it is. In this book are 10 stories of supernatural occurrences that illustrate how God still blesses and performs miracles today. Every day. Prayer changes things. And as you will see, it also brings about blessings and miracles. Be blessed as you read these wonderful stories of God's goodness, His grace, mercy, and favor. God is still in the blessing business. Just turn the pages to see what He's (still) up to...
