In Sense and Goodness Without God, Carrier provides something essential to every atheist: a positive worldview. Many atheists hope to make the religious give up their faith, not taking into account that it's an incredibly difficult thing to do to give up one's faith in general, but it's especially difficult when you're provided with nothing to really replace it with besides nihilism.

### **Amazon.com: Sense and Goodness Without God: A Defense of ...**

My flagship defense of a naturalist worldview (and of philosophy in general), Sense and Goodness without God: A Defense of Metaphysical Naturalism, is now available as an audio book, through Audible.com. It's a fairly faithful reading, so even things I'd probably change now (mostly minor stuff) is still in there (I didn't want to deviate too much into creating a second edition just yet), but I still had to leave out many of the internal cross references and all the bibliographies.

Sense & Goodness Without God (review index) by Luke Muehlhauser on March 1, 2009 in Indexes, Reviews. I am blogging my way through Richard Carrier's Sense and Goodness Without God: A Defense of Metaphysical Naturalism. This page serves as an index to all my posts on the book:

### **Sense & Goodness Without God (review index)**

I'm blogging my way through Sense and Goodness Without God, Richard Carrier's handy worldview-in-a-box for atheists. (See the post index for all sections.) It is now time to give my final thoughts on Carrier's book. Carrier's book is a godsend to fresh new atheists who know they were wrong about God and now aren't sure how everything else is supposed to fit together without a God in the picture.

### **Sense and Goodness Without God: Final thoughts**

by Richard Carrier on March 7, 2016 9 Comments. My first book, Sense and Goodness without God, was completed in 2003 and published in 2005. Since then I have collected a long list of corrections (mostly typos, a few clarifications or improved wording, and updates to all the bibliographies) that I would certainly make if I ever do a second edition. I likely won't, because I'm planning a new, shorter, popular market version—which will simply reference this one.

### **Typos List for Sense and Goodness without God • Richard ...**

Sense and Goodness answers all these questions in lavish detail, without complex jargon. A complete worldview is presented and defended, covering every subject from knowledge to art, from metaphysics to morality, from theology to politics. Topics include free will, the nature of the universe, the meaning of life, and much more, arguing from scientific evidence that there is only a physical, natural world without gods or spirits, but that we can still live a life of love, meaning, and joy.

### **Sense and Goodness Without God by Richard Carrier ...**

Sense and Goodness Without God answers these questions in lavish detail, without complex jargon. Arguing that there is only a physical, natural world without gods or spirits, noted historian and philosopher Richard Carrier presents and defends a complete worldview, one in which we can live a life of love, meaning, and joy.
