This New York Times and Wall Street Journal bestseller shows us that America's political system isn't broken. The truth is scarier: it's

working exactly as designed. In this “superbly researched” (The Washington Post) and timely book, journalist Ezra Klein reveals how that system is polarizing us—and how we are polarizing it—with disastrous results. “The American

our racial, religious, geographic, ideological, and cultural identities.

These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and
