" Bernd Heinrich is one of our greatest living naturalists in the tradition of Gerald Durrell....A national treasure. " —Los Angeles Times Summer World is an intimate, accessible, and eloquent illumination of animal survival in the Summer months from Bernd Heinrich, bestselling author of Winter World and " our latter-day Thoreau " (Publishers Weekly). Pulitzer Prize-winner Edmond O. Wilson (On Human Nature) calls Heinrich ' s fascinating exploration and appreciation of the natural order a, " lovely book, meticulously etched and based on impassioned but exacting scientific research," while the New York Times Book Review raves, " Animals come to life in gripping detail...and so does Heinrich.... The man is irrepresible. "

In a Summer Season is one of Elizabeth Taylor's finest novels in which, in a moving and powerful climax, she reveals love to be the thing it is: beautiful, often funny, and sometimes tragic. 'You taste of rain', he said, kissing her. 'People say I married her for her money', he thought contentedly, and for the moment was full of the self-respect that loving her had given him. Kate Heron is a wealthy, charming widow who marries, much to the disapproval of friends and neighbours, a man ten years her junior: the attractive, feckless Dermot. Then comes the return of Kate's old friend Charles - intelligent, kind and now widowed, with his beautiful young daughter. Kate watches happily as their two families are drawn together, finding his presence reassuringly familiar, but slowly she becomes aware of subtle undercurrents that begin to disturb the calm surface of their friendship. Before long, even she cannot ignore the gathering storm . . .

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

A collection of six traditional tales collected at Fort Peck reservation in northern Montana, which were originally intended to teach young members of the tribe about their history and culture.

Thirteen-year-old Brian lives in a trailer on a forgotten patch of land with his divorced and uncaring father. His older brother Lucien, physically and mentally disabled, has been institutionalized for years. While Lucien's home is undergoing renovations, he is sent to live with his father and younger brother for the summer. Their detached father leaves Brian to care for Lucien's special needs. But how do you look after someone when you don't know what they need? How do you make the right choices when you still have so much to discover?

INSTANT NEW YORK TIMES BESTSELLER " Weiner, the undisputed boss of the beach read, is back with another stunner. " —The New York Times " That Summer Is Your \*IDEAL\* Beach Read. " —Cosmopolitan Named a Most Anticipated Book of Spring 2021 by Marie Claire, Bustle, Good Morning America, CNN, PopSugar, Good Housekeeping, Frolic, Country Living, and Working Mother Named a Notable Work of Fiction by The Washington Post From the #1 New York Times bestselling author of Big Summer comes another deliciously twisty novel of intrigue, secrets, and the transformative power of female friendship. Daisy Shoemaker can ' t sleep. With a thriving cooking business, full schedule of volunteer work, and a beautiful home in the Philadelphia suburbs, she should be content. But her teenage daughter can be a handful, her husband can be distant, her work can feel trivial, and she has lots of acquaintances, but no real friends. Still, Daisy knows she ' s got it good. So why is she up all night? While Daisy tries to identify the root of her dissatisfaction, she ' s also receiving misdirected emails meant for a woman named Diana Starling, whose email address is just one punctuation mark away from her own. While Daisy ' s driving carpools, Diana is chairing meetings. While Daisy ' s making dinner, Diana ' s making plans to reorganize corporations. Diana ' s glamorous, sophisticated, single-lady life is miles away from Daisy ' s simpler existence. When an apology leads to an invitation, the two women meet and become friends. But, as they get closer, we learn that their connection was not completely accidental. Who IS this other woman, and what does she want with Daisy? From the manicured Main Line of Philadelphia to the wild landscape of the Outer Cape, written with Jennifer Weiner ' s signature wit and sharp observations, That Summer is a story about surviving our pasts, confronting our futures, and the sustaining bonds of friendship.

From flying squirrels to grizzly bears, and from torpid turtles to insects with antifreeze, the animal kingdom relies on some staggering evolutionary innovations to survive winter. Unlike their human counterparts, who must alter the environment to accommodate physical limitations, animals are adaptable to an amazing range of conditions. Examining everything from food sources in the extremely barren winter land-scape to the chemical composition that allows certain creatures to survive, Heinrich's Winter World awakens the largely undiscovered mysteries by which nature sustains herself through winter's harsh, cruel exigencies.

Building on the success of National Geographic's Journeys of a Lifetime series, a sumptuously photographed, detailed tour of hundreds of the world's most alluring locations and activities is seasonally organized to profile everything from the cherry-blossom temples of Kyoto to Rockefeller Center's ice-skating rink.

In a year shaped by national tragedy, baseball was shaped by amazing pitching--culminating in a victory by a Detroit Tigers team that faced off against Bob Gibson's St. Louis Cardinals, the 1967 World Series defending champions.

This is a book about young men who learned to play baseball during the 1930s and 1940s, and then went on to play for one of the most exciting major-league ball clubs ever fielded, the team that broke the colour barrier with Jackie Robinson. It is a book by and about a sportswriter who grew up near Ebbets Field, and who had the good fortune in the 1950s to cover the Dodgers for the Herald Tribune. This is a book about what happened to Jackie, Carl Erskine, Pee Wee Reese, and the others when their glory days were behind them. In short, it is a book fathers and sons and about the making of modern America. 'At a point in life when one is through with boyhood, but has not yet discovered how to be a man, it was my fortune to travel with the most marvelously appealing of teams.' Sentimental because it holds such promise, and bittersweet because that promise is past, the first sentence of this masterpiece of sporting literature, first published in the early '70s, sets its tone. The team is the mid-20th-century Brooklyn Dodgers, the team of Robinson and Snyder and Hodges and Reese, a team of great triumph and historical import composed of men whose fragile lives were filled with dignity and pathos. Roger Kahn, who covered that team for the New York Herald Tribune, makes understandable humans of his heroes as he chronicles the dreams and exploits of their young lives, beautifully intertwining them with his own, then recounts how so many of those sweet dreams curdled as the body of these once shining stars grew rusty with age and battered by experience.
