We live in a world of continuous disruption. Before we have a chance to respond to one disruption, another hits. Before we finish one transformation journey, we need to embark on another.

# Read Book Tag Heuer User Manual

How do you prepare the organization for this new normal of continuous disruption? This is the challenge that every organization is now facing, no matter how successful their digital transformation of the past decade has been. Organizing for the New Normal explores how to prepare the organization for this unique challenge.

# Read Book Tag Heuer User Manual

How do you develop a strategy for what is coming next while you are busily driving your current transformation? And how do you convince emotionally exhausted employees to join you on the journey? The book does not provide a ready-made recipe for success, but rather explores how to put together the ingredients that will
