This Value Pack consists of Longman Academic Reading 4 and Longman Academic Writing 3. The Longman Academic Reading Series is a five-level series that prepares English language learners for academic work. The aim of the series is to make students more effective and confident readers by providing high-interest readings on academic subjects and by teaching them skills and strategies for effective reading, vocabulary building, note-taking, and critical thinking. The series also encourages students to discuss and write about the ideas they discovered in the readings, making them better speakers and writers of English as well. The Longman Academic Writing Series helps students master the academic writing skills needed to succeed in their academic careers. The five-level series spans writing topics from composing sentences to writing research papers. Each level covers the complete writing process from prewriting to revision. Level 3 teaches intermediate students to write various genres of academic paragraphs and essays. The text's proven approach integrates training in grammar, mechanics, vocabulary, sentence structure, and paragraph and essay organization along with the writing process.

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to prmote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting important differences between spoken and written English; Step-by-step writing activities with models for students to follow; Innovative warm-up exercises that precede the grammar charts and introduce points to be taught; Newly created exercises to give students more incremental grammar practice; Structure-based listening exercises that introduce students to relaxed, reduced speech"--Page 4 of cover.
