In *The Solace of Fierce Landscapes*, author Belden C. Lane creates a physical setting of the desert for the spiritual work that takes place when we seek a holy detachment from all of the distractions created by external circumstances of our everyday life. Lane repeatedly warns against the temptation to romanticize the monastic work done in silence and solitude.

*The Solace of Fierce Landscapes - Christensenfund*

*The Solace of Fierce Landscapes* is a moving and sturdy meditation on the desert. The desert is an outer place of starkness, terror, privation, and beauty; it is above all the locus of an encounter with God. For the author, the desert is also an inner locale, embodied in experiences of relinquishment and privation.
