The mortal danger of nuclear weapons is unique in its terrifying potential for devastation on an unprecedented and unimaginable scale. In this book, Sidney D. Drell and James E. Goodby—each with more than twenty years' experience in national security issues both in public and private capacities—review the main policy issues surrounding nonproliferation of nuclear weapons. They address the specific actions that the community of nations—with American leadership—should take to confront and turn back the nuclear danger that imperils humanity. The nuclear genie, say the authors, cannot be put back in the bottle. Our most urgent task as a nation today is to successfully manage, contain, and reduce the grave danger of nuclear weapons—whether in the hands of adversaries or friendly states. This book hopes to stimulate active public dialogue on this important subject.

It's hard to be the new girl, but it's even harder being the new girl who races dirt bikes ... Ever since her parents forced her to move from Canada to Silvertown, Colorado, Clover Kasseddy hasn't fit in. So how do you deal when everyone hates you? Focusing all her energy on racing her motorcycle did it for a while, but now that Clover's managed to find a bestie and a boyfriend, the pressure on the sixteen-year-old is worse than ever. She's determined to get to the World Championships, where she could finally meet her idol - an Australian, the World Champion - and have a shot at becoming a professional dirt bike racer. But with her super-competitive dad, workaholic mother and relentless bullies at races and at high school, Clover is struggling to make her dreams a reality. Will it be her scheming ex-best-friend who shatters her world? Or will she let her 'perfect' boyfriend - the guy who has finally made her feel like she belongs in their school and their town - stop her from becoming an international racing star? *This book includes teen themes and mild swearing. Praise for REV GIRL and Leigh Hutton 'Hutton's real life experience as a dirt bike champ roars off the page. A gritty, modern girl hero for the 21st century.' - EDWINA SHAW, author of Thrill Seekers 'REV GIRL is an inspiring ride through the bumps and jumps of teenage life. Hutton's descriptions of youthful passion on and off the track are as relatable as they are exciting. You'll be with Clover Kasseddy all the way as she tackles the terrain of first love, friendship and following your dreams. An impressive debut that will have your heart racing.' - SALLY BROWNE, The Sunday Mail 'REV GIRL explores how a girl survives high school, family, first love and what it takes to become a world champion endurance trail bike chick. Dramatic, adrenaline pumping, thought-provoking, wonderful. This is no princess fairytale story. This is real. Congratulations to Leigh Hutton for an exceptional first book. Thank you for bringing us REV GIRL.' - CAROLYN MARTINEZ, author of Finding Love Again 'I felt very connected with REV GIRL, this book and its characters truly express and emphasize how important it is to believe in yourself! Leigh Hutton has written this so realistically that it reveals all the determination, motivation, success and all the negatives that come with big decision making, too. While reading this book I had just finished competing in the World Enduro Championships myself. This book will inspire many girls and women of all ages to stay strong and shine in your adventures that you create.' - JESS GARDINER, world Enduro racer and International Six Days Enduro (ISDE) 2013 Women's Champion Leigh Hutton is a former News Ltd journalist and champion dirt bike racer and horse show jumper. She was born and raised in Alberta, Canada, and now lives with her husband and three young children in Queensland, Australia.

Best in Show is a collection of photographs of well-groomed and award-winning dogs by New York City – based photographer Dolly Faibyshev. The images from the Westminster Kennel Club Dog Show and beyond focus on the unique—and often humorous—relationship between each dog and their handler. Dolly Faibyshev focuses on kitsch, irony, and the larger than life human and canine characters that make up *Best in Show*. The result is a colorful, vibrant, campy, and satirical take on this specific slice of Americana. • The colorful, closely cropped juxtapositions of each coiffed canine contestant and their dedicated human are both humorous and charming. • Sure to delight fans of all breeds of dogs • A universal and ideal book for all canine lovers with a sense of humor *Best in Show* captures a specific subculture of dog devotees primarily from the infamous Westminster Kennel Club Dog Show at Madison Square Garden in New York. • A perfect book for anyone who is completely and totally obsessed with dogs and the Westminster Kennel Club Dog Show • Photographers and contemporary art lovers will also love this celebration of Dolly Faibyshev's work • Great for fans of *The Dogist: Photographic Encounters with 1,000 Dogs* by Elias Weiss Friedman, *Dogs* by Lewis Blackwell and Tim Flach, and *Underwater Dogs* by Seth Casteel
